Ett tack!

Tack för att du besökt mig på sandrajonsson.se och laddat ner en av mina printables. Jag hoppas du kommer få glädje av den och återvänder för ännu mer inspiration.

Jag vill också tacka för att du respekterar upphovsrätten och varken delar eller säljer något av mitt material vidare. Det är inte bara min upphovsrätt som är viktig i sammanhanget utan även kreatörernas som har gjort den fantastiska cliparten och teckensnitten.

Du får såklart använda mina printables för egen del och i din verksamhet, det tycker jag bara är roligt om du gör.

Cliparten är skapad av Karakotsya på Canva.com och teckensnitten av Kimberly Geswein Fonts respektive av StudioAktype.

Allt gott,

Sandra Jönsson
